COMPUTING SERVICES NON-CREDIT COURSES

Computing Services offers non-credit courses approximately four times each year. The courses are open to all interested persons, but applicants should note that some of the courses have prerequisites. There is a fee of \$10 per course (\$20 for commercial clients) which must be paid before the beginning of each course. The fee is mandatory, even for clients with their own computer accounts. There is no charge for the Use of Terminals classes.

Registrations for all courses, including the free Use of Terminals class, are taken at the Computing Services general office, 352 General Services Building. Courses are offered subject to a minimum registration of five persons. The APL, Text Editing, and Use of Terminals classes have a maximum registration of 16 each.

Additional information may be obtained by telephoning 432-1261 or 432-1463.

APL 1

APL (A Programming Language) is a commonly used conversational language. It provides a powerful, yet easy to learn, notation and requires no previous computing experience. *Date:* September 17-October 3, Tuesdays and Thursdays. *Time:* 3-5 p.m. *Place:* 327 General Services Building. *Instructor:* Elizabeth Armitage. *Prerequisites:* none. *Description:* basic concepts and fundamentals of APL with practice terminal sessions. *Recommended references:* APL User's Manual; APL 360, Gilman and Rose.

APL 2

Date: October 15-24, Tuesdays and Thursdays. *Time:* 3-5 p.m. *Place:* 327 General Services Building. *Instructor:* Elizabeth Armitage. *Prerequisites:* APL 1 or some experience in the language. *Description:* advanced concepts in APL with practice terminal sessions. *Recommended references:* as for APL 1.

ASSEMBLER

Date: October 8-November 7, Tuesdays and Thursdays. *Time:* 3-4 p.m. *Place:* 723 General Services Building. *Instructor:* Grant Crawford. *Prerequisites:* MTS Overview. *Description:* basic assembler instructions and macro language. *Recommended references:* Assembler Users Guide; 360 Principles of Operation (IBM); 360 Assembler Language (IBM).

Top level sports entertainment is being offered this year to holders of Golden Bear Season Passes. A pass entitles its owner to attend four football games, 15 basketball games, and 15 hockey games, plus gymnastics, judo, and other competitions, all for \$15 inclusive. Free parking also is provided. The passes are transferable and may be used as gifts or donations. Those interested in obtaining a Golden Bear Season Pass should contact the Division of Athletics, Faculty of Physical Education, Physical Education and Recreation Centre, telephone 432-3365.

CALCOMP AND TEKTRONIX PLOTTING

Date: September 16-30, Mondays and Wednesdays. *Time:* 3:30-5 p.m. *Place:* 315 General Services Building. *Instructor:* Peter Buttus. *Prerequisites:* good knowledge of FORTRAN. *Description:* basic Calcomp and Tektronix plotting routines. Students will have some opportunity to use the plotter.

INTRODUCTION TO COMPUTING AND ELEMENTARY FORTRAN

FORTRAN is a universally used computer language. *Date:* September 17-October 17, Tuesdays and Thursdays. *Time:* 3:30-5:30 p.m. *Place:* 511 General Services Building. *Instructor:* Bruce Butler. *Prerequisites:* none. *Description:* basic FORTRAN for non-

mathematically oriented people. *Recommended references:* FORTRAN IV with WATFOR and WATFIV, Cress, Dirksen and Graham; MTS and Computing Services.

MTS OVERVIEW

Date: September 10-October 1, Tuesdays and Thursdays. *Time:* 3-5 p.m. *Place:* 821 General Services Building. *Instructor:* Vladimir Berka. *Prerequisites:* basic knowledge of computing and knowledge of at least one high level programming language, preferably FORTRAN. *Description:* comprehensive course on the use of files, device commands and the editor under the Michigan Terminal System (MTS), the main operating system at Computing Services. *Recommended references:* MTS and Computing Services.

TEXT EDITING

Date: September 25-October 31, Wednesdays and Thursdays. *Time:* 2-3 p.m. *Place:* 315 General Services Building. *Instructor:* Jennifer Semchuk. *Prerequisites:* none, but it is recommended that persons unfamiliar with computing take one of the Use of Terminals classes being given on September 17, 18, or 19. *Description:* use of the file editor and the program *FMT in text editing and formatting. This course can be a valuable aid to students and members of staff (both academic and non-academic) in using the computer to edit and produce papers, articles, theses, books, and other documents. *Recommended references:* Manuscript Production Handbook; MTS and Computing Services.

USE OF TERMINALS

These are three separate classes; please choose one. *Dates and times:* Tuesday, September 17, 3-4 p.m.; Wednesday, September 18, 11 a.m.-12 noon; and Thursday, September 19, 2-3 p.m. *Place:* 351 General Services Building. *Prerequisites:* none. *Description:* introduction to the IBM 2741 Communications Terminal, signon and signoff procedures, simple MTS commands (creation of files and entry of data or text), and introduction to the use of the editor. NOTE: although these classes are free participants *must* register at 352 General Services Building beforehand.

PEOPLE

- ROBERT HAYMOND, graduate student in the Department of Educational Psychology, has an article in the current issue of *Addictions*. The article was written under the tutelage of ANDOR TARL, Lecturer in Educational Psychology.
- ARTHUR K. DAVIS, Professor of Sociology, has been voted president-elect of the Canadian Sociology and Anthropology Association for 1974-75. He will be president in 1975-76.
- DON GILL, Director of the Boreal Institute for Northern Studies, participated during the month of July in an Inuvik-based program, initiated by the Special and Vocational Education Office of the federal Department of Indian and Northern Affairs, to train Natives as Resource Management Officers. This two-year pilot program is designed to prepare northerners for positions which will be devoted to the management of northern land use and the enforcement of the recently promulgated northern land-use regulations. Also in July, Dr. Gill acted as an advisor to the National Film Board, which is developing a biosphere-oriented theme script for a film on the Mackenzie River system.
- High school and college visitations, post-secondary education information dissemination, and orientation programs were discussed at a workshop recently hosted by The University of Alberta. The workshop was co-ordinated by W.A.D. BURNS, Assistant Registrar and Admissions Officer, and B.J. SILZER, High School Liaison Officer, both of the Admissions Policy, Evaluation and Liaison Division of the Office of the Registrar.
- Thirty-three representatives of western Canadian post-secondary institutions and government departments attended the one-day workshop, designed to investigate the possibility of co-operation between the institutions in the area of post-secondary community relations.

NOTICES

CHANGE OF ADDRESS

Members of staff are reminded that all mail and telephone calls to G. L. MOWAT, Professor of Educational Administration and, since June 1, Acting Vice-President (Planning and Development), should be directed to Dr. Mowat at 3-4 University Hall; telephone 432-3645.

SELECTION AND REVIEW COMMITTEE VACANCIES

The General Faculties Council Nominating Committee is seeking nominations for persons to serve on the Selection Committees for the

Chairmen of the Departments of Psychiatry, Germanic Languages, Anthropology, and Sociology, and the Review Committee for the Chairman of the Department of Philosophy. The regulations governing the composition of selection and review committees for department chairmen require that one person, not a member of the department concerned, be elected by General Faculties Council.

Those who have suggestions for nominations or who are interested in serving on the above committees are requested to contact the Secretary of the Nominating Committee, MRS. P. CAMPBELL, 2-1 University Hall, telephone 432-4965.

STUDENT VISAS SHOULD BE RENEWED

An officer of the Department of Immigration will be in attendance at the Canada Manpower Office, fourth floor, Students' Union Building from 9 a.m. to 4 p.m. Wednesday, September 25 and Tuesday, October 1 for the purpose of renewing student visas.

AASUA SPECIAL GENERAL MEETING

A special general meeting of the Academic Staff Association will be held Thursday, September 5 at 4 p.m. in the Henry Marshall Tory Building, TL-11.

The agenda will include a discussion of market supplements and the salary structure.

FALL AND WINTER AQUATICS PROGRAM

The fall session of the aquatics program will run from September 23 to December 15 and the winter session from January 6 to March 30, 1975. The closing dates for registration by mail are September 14 and December 14 respectively. Personal registrations will be accepted on September 19 and December 19, in each case between 6 and 9 p.m. Members of the public are asked to register in person during the last one and one-half hours of the registration periods.

Privilege card holders should check the expiry dates on their cards before registering by mail, as out-of-date cards will delay their registrations. Brochures giving full information about all the courses and containing application forms may be obtained from: University Aquatic Program Registrations, Physical Education and Recreation Centre, University of Alberta, Edmonton, Alberta, or telephone RON KIRSTEIN at 432-3570.

COMPUTING SERVICES TERMINAL FAIR

The Department of Computing Services will sponsor a four-day Terminal Fair next month to acquaint their clients and other interested persons with the wide variety of terminals on the market. The products will be displayed by various Canadian distributors of keyboard terminals, September 9 to 12. The terminals will be connected to the University's time-

- sharing system, MTS, for "hands on" demonstration. All interested persons, both on and off campus, are encouraged to attend.

The show will be open each day from 9 a.m. to approximately 8 p.m. in 351 General Services Building. Details about the 25 terminals which will be on display may be obtained from GERRY GABEL or ROD YAEHNE, 432-1261.

KEEP-FIT YOGA

- The Keep-fit Yoga Club will be offering yoga and physical fitness lessons during the fall session. Classes will be held at the University on a once-a-week basis.

Two information clinics will be held Thursday, September 5 at 7:15 and 8:15 p.m. in the graduate students' lounge on the fourteenth floor of the Henry Marshall Tory Building. All those interested in practising keep-fit yoga this fall are invited to attend.
